

Con-B-Gone

Concrete Remover - Designed for use with Pressure Washing

North America's #1 Name in High-Pressure Cleaning Equipment

Specialty Detergent

Special Features:

Con-B-Gone is a very fast acting, spray-on product that softens green (under 21 days) concrete from tools, equipment and trucks. The foaming formula allows it to be applied over large areas very quickly, saving labor, time and product. After allowing the product to soak, the softened concrete will rinse away with a hot or cold water pressure washer. Will not harm painted surfaces, chrome, aluminum, stainless steel or hydraulic cylinders.

Highly concentrated

- A little goes a long way
- Dilution ratio up to 1:1

Competitively priced

- Excellent value
- Economical cost per gallon

High-quality detergents

- Non-fuming Formula
- Works in all water conditions

Safety approvals & registration

- Infotrac registered

Not to be used through pressure washer

- Apply with sprayer or foamer

Excellent service

- 160 North American Service Centers
