

Envy Super Concentrate

Vehicle Wash Detergent
for Pressure Washers

North America's #1 Name in
High-Pressure Cleaning Equipment

Specialty Detergent

Special Features:

Envy Super Concentrate is an ultra concentrated vehicle wash detergent that can be diluted to extremely high ratios without watering down performance. This product is designed to be diluted to 1:700 for light-duty cleaning and 500-700 for medium-duty cleaning. Envy will significantly reduce the number of buckets that you have to store, change and dispose of.
