

Salt Lick

Road Salt Remover
for Pressure Washers

North America's #1 Name in
High-Pressure Cleaning Equipment

Specialty Detergent

Special Features:

Salt Lick is a combination detergent that removes heavy soil as well as damaging salt residue. This unique formula breaks down the crystalline structure of ice melt products and prevents it from crystallizing back on the surface so it can be easily rinsed away with the rest of the dirt. Works well on construction equipment as well as vehicles and boats.

Highly concentrated

- A little goes a long way
- Dilution ratio up to 100:1

Competitively priced

- Excellent value
- Economical cost per gallon

High-quality detergents

- Specially designed for pressure washers
- Works in all water conditions

Safety approvals & registration

- Infotrac registered

Hotsy's exclusive Continuous Clean Additive (HCC)

- Protects your pressure washer

Biodegradable

- Safe for the environment

Protect investment

- Prevent corrosion of expensive equipment and vehicles which increases repair and replacement costs.

Excellent service

- 160 North American Service Centers
- Expert chemist support

- Biodegradable
- Kosher Approved
- Phosphate Free

Salt Lick Road Salt Remover

■ 5-Gal Pail P/N 8.698-081.0
