Bulk Pak for Cost Savings

Ask your Hotsy Distributor how you can arrange to have your Hotsy Detergent supplied on a regular monthly schedule, pumped into your own HOTSY BULK PAK container, that's plumbed directly to your pressure washers. It's convenient, dependable, clean and efficient.

SAVE TIME, by having a regular monthly service call! SAVE MONEY with our low bulk rates! SAVE the INCONVENIENCE of disposing of empty 55-gallon drums.

Spend some time with a Hotsy Expert

Hotsy has more than 160 local distributors in North America, all factory-trained to properly evaluate your high-pressure cleaning needs.

Over 80% of Hotsy's distributors have been supporting Hotsy systems for more than 20 years.

Your local Hotsy dealer will recommend the best detergent to solve your toughest cleaning problem.

SUPER XL Specifications

Formulation: An all-purpose detergent popular in the agriculture, construction, transportation and food industries. It's safe on all surfaces, easy to use, low-foaming and free rinsing.

Biodegradability: Super XL is fully biodegradable and contains no caustic soda (sodium hydroxide).

pH at 5% Solution: 11.4

VOC Content: 2 grams

Foaming Action: Low

Reaction in Hard Water (TDS): Best

Dilution Ratio: Up to 128:1

Color: Red

Scent: None

Exclusive Hotsy Additives

Advanced Formula HCC: "Continuous Clean Additives" help to prevent and remove scale build-up in coils, pumps, valves and fittings of pressure washers and steam cleaners.

Corrosion Inhibitors: Super XL contains Hotsy's full line of corrosion-inhibiting additives, which protect metal surfaces long after washing is completed, giving your equipment protection that can last until it's next cleaning.

Product Analysis: CFIA Approved. Kosher Approved.

Product Safety: An OSHA Material Safety Data Sheet is available. For emergency spills call CHEMTREC 1-800-424-9300, outside US call 703-527-3887.

Damage Certification: This product will NOT damage pressure washers, steam cleaners or related products.

Smog & Ozone: This product does not contain photochemically reactive ingredients that contribute to smog problems or attack the earth's ozone layer.

Containers: Available in various sizes through your local Hotsy Dealer.
